"Oak Hill has everything you want and need."

When you combine the comfort, convenience, and peace of mind of a continuum of care community with the activities, amenities and beauty of a premier 55+ active adult community, you have the ideal recipe for living well. That's exactly what you'll find at Oak Hill, Brooksville's newest senior living community.

Who We Are.

Oak Hill Senior Living is committed to restoring our residents to their highest potential through kind, compassionate medical care and uplifting lifestyles. We believe those who live well, are well. Recognizing that living well means something different to everyone, we have created an all-encompassing community that empowers residents to live their best lives no matter what their needs may be.
