

"Old Fashioned Service with Today's Technology"

Mike's Auto Body & Repair has been providing quality service to South Hernando and North Pasco Counties since 1999. Our experience combined with quality training ensures that we understand our customers' needs. We know the meaning of customer satisfaction and take pride in providing prompt and courteous service while maintaining a high level of integrity. We offer "old-fashioned service" with today's technology. With that kind of service, competitive pricing, free computerized estimates, pick-up and delivery service, and a complete written warranty, why would you take your vehicle anywhere else?

For us, customer satisfaction is based on years of experience. As our customer, you will receive the finest quality repairs available...guaranteed in writing. We are ready and willing to answer all your questions concerning the estimating or repair process. Our professional staff will assist you with your insurance company. Their training assures you of quality repairs placing your satisfaction first. Our policies and standards are designed to provide prompt, competent, courteous and professional service to our customers.
